

neo:4 Professional - 4x4 HDBaseT Video Matrix

4 HDMI INPUTS | 4 HDBASET CLASS B (LITE) OUTPUTS | 2 HDMI MIRROR OUTPUTS

LITE (Class B) Cat5e/6 Cable Performance Chart

WORKS WITH ALEXA

With the neo Alexa skill on your Amazon Echo/Dot you can use voice commands to control devices connected to a neo matrix. Fully certified by Amazon, this integration is native to Alexa and requires no configuration.

REMOTE MONITORING

Keep in contact with the matrix at any time, from anywhere with our cloud management service. Simply log into our cloud portal and see helpful diagnosis information. All of this is free of charge with every matrix!

WEB INTERFACE

An end-user friendly interface including a remote that can simply be accessed via www.gotomymatrix.com in your browser, or download the Android app on any device connected to the same network.

libCEC

With CEC you can use your normal TV remote to control and select source devices. Being the world experts in CEC technology means we give you maximum control of your devices.

SET TOP BOX IP CONTROL

You can now control set top boxes via CEC! Working with Sky HD, Sky Q, Tivo/Virgin, Dish Hopper and Kodi, this type of IP Based control is a first for a matrix and removes the need for any IR control in your system.

BUILT IN BRITAIN

All of our matrix range is not only designed but manufactured and supported by ourselves, all from our 24,000 sq ft facility in Poole, Dorset in the UK.

3 YEAR WARRANTY

A standard 3 year warranty is included as standard, whereby if at any point during the warranty the unit becomes faulty you can return it back to us for repair. However, you may wish to take advantage of our advanced warranty or extended 5 year warranty options.

KEY FEATURES

- Ultra HD 4K Video Transmission (upto 340Mhz), 1080p, 3D
